naturetech

NATURE AT ITS BEST

With over four decades in exterior siding, **Naturetech™** knows wood.

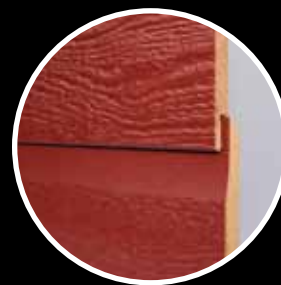

The beauty, authenticity and warmth of wood siding, engineered for **exceptional strength** and **durability**.

GreenSENSE
 LEED certify your home!
 100% ecological.

Hidden nail application for a **superior appearance**.

Stringently tested for extreme weather conditions.

Tru-Align™ interlock system panels self align and provide **extra rigidity**.

A **luxurious** array of **colors** will make any house into a home.

Factory painted **eliminates** on-site and annual **painting**.

4 coats of baked-on finish paint ensures **long lasting color**.

Heavy duty 1/2" thickness provides **superior** wind, hail and **impact resistance**.

Resists termite damage and **will not rot, crack or split**.

Long lasting performance with a **worry-free 15|25 year KWP warranty**.

Every effort has been made to make the colors in this application as accurate as possible. However, as colors shown are mechanically reproduced, we recommend you make final color decisions using actual product samples. Naturetech™ is a registered trademark of KWP Inc. All rights reserved.
